

Healthy Workplaces for All Ages

Promoting a sustainable working life

Rehabilitation and return to work

**Antonella Cardone, Fit for Work Global Alliance, Executive Director
Bilbao, 22 November 2017**

Challenges addressed in this session:

- **To highlight the cost to society, employers and workers of failure to get people back to work**
- **To achieve a joint-up policy approach to rehabilitation and return to work**
- **To establish sickness absence analyses and return to work procedures**

Structure of the workshop

a) **WHY** we need to take action

b) 3 **good practices** implemented in **Austria, Norway and Sweden** intended to address the following:

- What can be **done** to facilitate rehabilitation and return to work
- What was **achieved**
- Which were the **success factors**
- Which were the **challenges** faced
- How these success stories can be **transferred** to other EU MS

c) **Voting** session

d) **Question & Answer** session

Given the amount of time you spend at work, how do you think work affects your health?

- **Negatively**
- **Positively**
- **Not at all**
