

Healthy Workplaces for All Ages

Raising Awareness about Health and Safety with Napo
The Estonian Experience

Maret Maripuu, Director General of Estonian Labour Inspectorate

How did it start?

- Focus on prevention activities in different target groups
- Creating synergy between labour inspection, counselling and awareness raising
- Napo costume from EU-OSHA 2015 autumn

Visited different Labour Inspectorate OSH events

- Health and Safety days
- Conferences
- Seminars

Napo and children

2017 - 19 kindergartens, ~1200 children (as of 01.11.2017)

2016 – 30 kindergartens, ~1800 children

Different safety days and children's events

- Safety days in counties
- Spelling book day
- Opening of Malev season

Patron of the Children's Drawings Exhibition

Cooperation with different institutions

Conclusion

- **Safety lessons for children – to raise awareness from an early age**
- **Not only for children - Napo is attractive for everyone**
- **Impact on parents through children**
- **Way to cooperate with other institutions**
