SIMONE LANGEWOUTERS

Global Health Ambassador SAP (Netherlands)

Simone Langewouters, Senior Facility Specialist at SAP Netherlands since 2001. Specialist in Sustainable employability, ergonomics, prevention and Global Health Ambassador. Initiator and coordinator of the award winning lifestyle program "Run Your Health".

My goal is to mobilize employers, their managers and employees to create awareness, change behaviour and take sustainable measures for long-term, healthy, enjoyable and productive participation in the labour process.
