Healthy Workplaces for All Ages
Promoting a sustainable working life
Healthy Workplaces Summit 2017 / Parallel Session 1
Vladka KOMEL, Focal Point Slovenia

Safety and health at work is everyone’s concern. It’s good for you. It’s good for business.
Good practice example „Promotion of health at workplace“

✓ Ministry of Interior of the Republic of Slovenia, Police, Police Directorate Murska Sobota → 537 civil servants → average age is 44 → approx. 60 % of the staff is older than 40

✓ A bottom up approach

✓ The project started in 2015 → in order to maintain physical and mental wellbeing of employees through their working lives

✓ The project group → representatives of all organisational units and different jobs → the project has been supported by both national police trade unions

✓ Various activities → taking into account the ageing workforce
Good practice example „Promotion of health at workplace“
The best Slovenian OSH good practice example 2016-2017
Cooperation between the Republic of Slovenia and the Czech Republic

- In the spring of 2017 the Ministry of Interior of the Czech Republic and the Czech FOP proposed a collaboration

- OSH seminar (Kašperské Hory, 17-20 October 2017) organised by the Ministry of Interior of the Czech Republic and the Czech FOP → 2 representatives from the Police Directorate Murska Sobota attended the seminar

- OSH seminar „How can we achieve health and satisfaction of workers through better organisation of work and better leadership“ will be organised by the Ministry of Labour, Family, Social Affairs and Equal Opportunities and the Ministry of Interior of the Republic of Slovenia (Ljubljana, May 2018) → representatives of the Ministry of Interior of the Czech Republic will be invited
Collaboration is a great way to expand knowledge

How to initiate a systematic collaboration in the area of workplace health promotion in police among the EU Member States?
