The EFNMS „Safety & Health Campaign“

EFNMS decided to be a Campaign Partner
- Establish a working group within EFNMS
- Motivate Maintenance societies to participate in the EU Campaign
- Support the Societies
- Follow up on Progress
- Discuss regularly results and possible improvements
What did we do over the last 24 month’s

- Spring 2009 Committee for SHE established (ESHEC), Gerard Neyret Chairman
- Fall 2009 first committee meeting held in Munich
- Mr. Jukka TAKALA, as a Key Note Speaker at EuroMaintenance 2010
- Spring 2010 first EFNMS SHE – Report
  - EM 2010 Verona with a large number of presentation on OSH-Issues
  - OSHA- Booth within the exhibition
  - Various initiatives started in
Some EFNMS Initiatives

- 91% of the member societies started their initiatives:
  - France, Campaign on “Maintenance Do it Safely”
  - Belgium, initiated an EFNMS wide survey on Safety in Maintenance and initiated Workshops based on the results
  - Greece, produced a video to integrate family members
  - Switzerland, start of a specific Management and Shop floor Training, Bold Face (Checklist), “Say No to unsafe Situations”
  - Netherlands, Safety Benchmark study, Safety Seminars, Workshops on Safety in “Design & Construction”
  - Spain, Seminars on Risks and Risk assessments in Maintenance
A few numbers about what we achieved

› 100% awareness of the subject
› 91% have nominated a SHE-Officer
› 75% have adjusted their homepage
› > 55% have started new initiatives on “Safety in Maintenance”
› 14% have completed the survey on “Safety in Maintenance” 😞
