Healthy Workplaces

# The project

- The Agency is developing the tool in partnership with:
  - ▶ the EU social partners - ETUC, BusinessEurope, UEAPME
  - ▶ the EU governments
  - ▶ European Commission
  - ▶ the Dutch government and the Dutch social partners
- The Online risk assessment tool will be the **legacy** of the Risk Assessment campaign.

# Next steps

- Testing phase
  - ▶ To carry out two pilots:
    - 1 EU sectoral social dialogue (preliminary discussions already with the Construction Social Partners)
    - 1 Member State
  - ▶ Aims:
    - Test the tool
    - Test validity of written guides intended for developers and end-users.
- Public launch of the tool – end 2010
