WELL DONE

4 KEY REASONS

Free &

easy-to-use

These steps have been developed to help MSEs manage their risks in the workplace.

> Start implementing the action plan & review the risk assessment regularly!

Why is it important?

Companies should conduct a step by step risk assessment to ensure the safety and health of their workers.

Who is responsible?

Employers are required by law to carry out a risk assessment.

How can it be done?

OiRA (Online interactive Risk Assessment) is a web-based platform solution put at the disposal of micro and small enterprises (MSEs) to help them assess and manage occupational safety and health risks in a wide range of sectors.

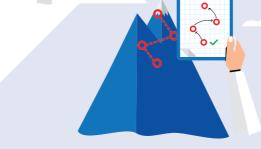

Generate a report

on the results of

the risk assessment

REPORT

AN ACTION PLAN

Identify the appropriate measures to eliminate or control the potential risks

order of importance

compliance

Solution-oriented & quidance provision

Sector-specific approach
