Workshop 'rules'

- The scenarios are to provide a stretching framework for discussions
- Let yourselves live the scenarios you work with and engage with the exercises
- Please ask if there is anything you do not understand
- You are not here as representatives of your respective countries
- All views are valid and important
- The insights will be noted but not attributed
- Have fun!

What are your priorities?

- Discuss what your priorities are for the workshop
- Agree the most important for your group and who will give feedback
