

# Exercise 2

- Consider Peter's presentation and cards
- Discuss the OSH issues for 'green jobs' in your scenario **in 2020** (15 minutes)
- Some may be existing OSH risks that will be significantly changed, or act on new sectors; others may be new
- Agree the following (20 minutes):
  - 2 most important OSH opportunities in your scenario
  - 2 most important OSH challenges in your scenario
  - 1 new or surprising OSH issue in your scenario
- Record on feedback form (15 minutes)

# Priority challenges and opportunities

# Feedback form

OSH issue	Describe: OSH Challenge or opportunity?	Related to particular technology?	Comments (new or increasing, who most affected, nature of impacts etc)
