# QUESTIONS FOR GROUP DISCUSSIONS

- **Do you recognize the topic as an emerging issues in your country? E.g. based on ongoing public discussions? Is this generic or more specifically related to certain sectors, regions, activities?**
- 
- **Do you have other benefits or risks for Health and Safety, in addition to the aspects that have already been mentioned in the article?**
- 
- **Are you aware of related policy initiatives and/ or research (data collection) on these topics in your country?**
- 
- **Optional: if there are specific implications for SME's; would additional action be needed to address specifically SMEs?**

# Thank you
